Professional Services Guideline

Superintendent's Guideline No. 03/14

Introduction

This Guideline is issued pursuant to subsection 268.3 (1) of the Insurance Act for the purposes of subsections 15 (2) (b), 16 (4) (a), 17 (2) and 25 (3) of the Statutory Accident Benefits Schedule – Effective September 1, 2010 (SABS), and applies to expenses related to services rendered on or after September 6, 2014.

The maximum hourly rates and the maximum fees for the forms listed in this Guideline apply to services rendered on or after September 6, 2014, even if they are approved prior to September 6, 2014.

Purpose

This Guideline establishes the maximum expenses payable by automobile insurers under the SABS related to the services of any of the health care professions or health care providers listed in the Guideline. These maximums are applicable to:

- a medical benefit under clauses 15 (1) (a), (b), or (h) of the SABS;
- a rehabilitation benefit under clauses 16 (3) (a) to (g) or (l) of the SABS;
- case management services under subsection 17 (1) of the SABS; or
- conducting an examination, assessment or provision of a certificate, report or treatment plan under subsection 25 (1) 3 of the SABS.

Insurers are not prohibited from paying above any maximum amount or hourly rate established in the Guideline.

Services provided by health care professionals/providers, unregulated providers and other occupations not listed in the Guideline are not covered by the Guideline. The amounts payable by an insurer related to services not covered by the Guideline are to be determined by the parties involved.

Maximum Hourly Rates and Fees

Automobile insurers are not liable to pay for expenses related to professional services rendered to an insured person that exceed the maximum hourly rates set out in the Appendix.

Forms

The maximum fees payable for the listed forms include all examinations, assessments and expenses related to professional services (as referred to below) that are involved in such examinations and assessments, and all other activities, tasks and expenses involved in the completion and submission of forms, whether they are made through the Health Claims for Auto Insurance (HCAI) system or otherwise. Automobile insurers are not liable to pay for any expenses related to the listed forms that exceed the maximum fees set out in the Appendix.

The \$200 maximum fee referred to in this Guideline and in Superintendent's Guideline No. 06/10 (July 2010 Professional Services Guideline) for a Treatment and Assessment Plan (OCF-18) applies only to the services of a health practitioner as referred to in subsection 25 (1) 3 of the SABS, namely reviewing and approving an OCF-18 under subsection 38 (3) (c), including any

assessment or examination necessary for the purpose of that review and approval by the health practitioner. The \$200 maximum fee does not apply to assessments or examinations that are proposed in an OCF-18 and that an insurer agrees to pay for under subsection 38 (8) of the SABS.

As stipulated in section 25 (1) 3 of the SABS, the fee for the OCF-18 is payable only if any one or more of the goods, services, assessments or examinations described in the OCF-18 have been:

- i. approved by the insurer;
- ii. deemed by the SABS to be payable by the insurer; or
- iii. determined to be payable by the insurer on the resolution of a dispute in accordance with sections 279 to 283 of the Insurance Act.

Although the SABS does not expressly set out the criteria an insurer is to apply in determining whether or not to agree to pay for a proposed assessment or examination under subsection 38 (8), an insurer should not act arbitrarily or fetter its discretion, but should instead consider each proposed assessment or examination on its merits with regard to the insurer's obligation to adjust and settle claims fairly and without unreasonable delay or resistance.

As provided in subsection 25 (5) (a) of the SABS, an insurer may agree under subsection 38 (8) to pay fees of up to \$2,000 for any one assessment or examination proposed in an OCF-18.

Expenses Related to Professional Services

"Expenses related to professional services" as referred to in the SABS and the *Professional Services Guideline* include all administration costs, overhead, and related costs, fees, expenses, charges and surcharges. Insurers are not liable for any administration or other costs, overhead, fees, expenses, charges or surcharges that have the result of increasing the effective hourly rates, or the maximum fees payable for completing forms, beyond what is permitted under the *Professional Services Guideline*.

In addition, insurers are not liable to pay any amount for appointments that are missed or cancelled by an insured person, or for costs of rescheduling such appointments.

Collateral Benefits

In respect of any expense referenced in this Guideline or in previous Superintendent's *Professional Services Guidelines*, the amount which an insurer would otherwise be liable to pay is subject to reduction by that portion of the expense for which payment is reasonably available under any insurance plan or law, or under any other plan or law.

Harmonized Sales Tax (HST)

The applicability of the HST to the services of any health care professionals or health care providers listed in this Guideline falls under the jurisdiction of the Canada Revenue Agency (CRA). If the HST is considered by the CRA to be applicable to any of the services or fees listed in this Guideline, then the HST is payable by an insurer in addition to the fees as set out in this Guideline.

Directive concernant les services professionnels

Ligne directrice du surintendant n° 03/14

Introduction

La présente directive est publiée en vertu du paragraphe 268.3 (1) de la *Loi sur les assurances aux fins des alinéas 15 (2)b) et 16 (4) a) et des paragraphes 17 (2) et 25 (3) de l'Annexe sur les indemnités d'accident légales – en vigueur le 1^{er} septembre 2010* (l'AIAL) et s'applique aux dépenses liées à des services fournis le 6 septembre 2014 ou après cette date.

Les taux horaires maximaux et les frais maximaux exigibles pour la préparation des formulaires précisés dans cette directive s'appliquent aux services fournis le 6 septembre 2014 ou après cette date, même s'ils sont approuvés avant le 6 septembre 2014.

Objet

La présente directive fixe le maximum des frais exigibles des assureurs automobiles en vertu de l'AIAL pour les services de l'un des professionnels de la santé ou des fournisseurs de soins de santé mentionnés dans la directive. Ces maximums s'appliquent :

- aux indemnités pour frais médicaux prévues aux alinéas 15 (1)a), b) ou h) de l'AIAL;
- aux indemnités de réadaptation prévues aux alinéas 16 (3)a) à g) ou l) de l'AIAL;
- aux services de gestion de cas prévus au paragraphe 17 (1) de l'AIAL;
- aux examens ou évaluations ou à l'établissement d'un certificat, d'un rapport ou d'un programme de traitement prévus au paragraphe 25 (1) 3 de l'AIAL.

Il n'est pas interdit aux assureurs de verser des montants supérieurs à un montant ou à un taux horaire maximal stipulé dans cette directive.

Ne sont pas visés par la présente directive les services fournis par des professionnels de la santé ou des fournisseurs de soins de santé, des fournisseurs de services non réglementés et d'autres professions qui n'y sont pas spécifiquement mentionnées. Les montants payés par un assureur à l'égard de services non visés par cette directive doivent être établis par les parties en cause.

Frais et taux horaires maximaux

Les assureurs automobiles ne sont pas tenus de payer les frais liés aux services professionnels fournis à une personne assurée supérieurs aux taux horaires et aux frais maximaux établis dans l'Annexe.

Formulaires

Les frais maximaux exigibles pour la préparation des formulaires précisés aux présentes comprennent tous les examens et évaluations ainsi que les frais liés aux services professionnels (qui sont définis plus bas) se rapportant à ces examens et évaluations, de même que toute autre activité et tâche et tous frais associés à la préparation et la transmission des formulaires, que ce soit par l'entremise du Système de demandes de règlement pour soins de santé liés à l'assurance-automobile (Système DRSSAA) ou par tout autre moyen. Les assureurs automobiles ne sont pas tenus de payer des frais liés aux formulaires précisés dans cette directive supérieurs aux plafonds établis dans l'Annexe.

Les frais maximaux de 200 \$, mentionnés dans la présente directive ou dans la Directive concernant les services professionnels du surintendant n° 06/10 (Juillet 2010—Directive concernant les services professionnels), pour un Plan de traitement et d'évaluation (FDIO-18), concernent uniquement les services dispensés par un professionnel de la santé comme le précise l'alinéa 25 (1) 3 de l'AIAL, notamment pour examiner et approuver un FDIO-18 visé au paragraphe 38, y compris toute évaluation ou tout examen nécessaire à cette fin. Les frais maximaux de 200 \$ ne s'appliquent pas aux évaluations ou aux examens proposés dans un FDIO-18 et qu'un assureur accepte de payer en vertu du paragraphe 38 (8) de l'AIAL.

Comme il est précisé à l'alinéa 25 (1) 3 de l'AIAL, les frais exigés pour la préparation du Plan de traitement et d'évaluation (FDIO-18) ne seront payés que si l'un ou plusieurs des biens, services, évaluations ou examens décrits dans le formulaire FDIO-18 :

- i. ont été approuvés par l'assureur,
- ii. sont réputés être payables par l'assureur aux termes de l'AIAL ou
- iii. doivent être payés par l'assureur à la suite du règlement d'un différend conformément aux articles 279 à 283 de la *Loi sur les assurances*.

Bien que l'AIAL n'énonce pas expressément les critères que l'assureur doit appliquer pour déterminer s'il doit accepter ou non de payer une évaluation ou un examen proposé en vertu du paragraphe 38 (8), l'assureur ne doit pas agir arbitrairement ou entraver l'exercice de son pouvoir discrétionnaire. Il doit examiner chaque évaluation ou examen proposé et déterminer son bien-fondé en tenant compte de son obligation de régler les sinistres équitablement et sans retard ou résistance déraisonnable.

Comme prévu à l'alinéa 25 (5)a) de l'AIAL, l'assureur peut accepter en vertu du paragraphe 38 (8) de payer les frais jusqu'à concurrence de 2 000 \$ pour une évaluation ou un examen proposé dans un formulaire FDIO-18.

Frais liés aux services professionnels

Les « frais liés aux services professionnels » mentionnés dans l'AIAL et la Directive concernant les services professionnels comprennent tous les frais d'administration et autres frais généraux les coûts indirects et tous les frais et frais supplémentaires connexes. Les assureurs ne sont pas tenus de payer des frais d'administration ni d'autres frais, coûts indirects ou frais et frais supplémentaires connexes qui ont pour effet de majorer les taux horaires en vigueur ou les frais maximaux exigibles pour la préparation de formulaires, au-delà de ce qui est autorisé aux termes de la Directive concernant les services professionnels.

En outre, les assureurs ne sont pas responsables de payer un montant à l'égard des rendezvous manqués ou annulés par une personne assurée ni à l'égard des coûts de report de ces rendezvous.

Prestations accessoires

En ce qui concerne des dépenses mentionnées dans la présente Directive ou dans la précédente Directive concernant les services professionnels du surintendant, le montant qu'un assureur serait autrement tenu de payer doit être réduit de la portion des dépenses qu'il est raisonnablement possible d'obtenir dans le cadre de n'importe quel régime d'assurance ou loi, ou dans le cadre d'un autre régime ou loi.

Taxe de vente harmonisée (TVH)

Il incombe à l'Agence du revenu du Canada (ARC) de déterminer si la TVH s'applique aux services fournis par un professionnel de la santé ou un fournisseur de soins de santé figurant dans la présente directive. Si l'ARC juge que la TVH s'applique à l'un des services ou à des frais énumérés aux présentes, l'assureur doit payer la TVH en sus des frais exigibles qui sont indiqués dans la présente directive.

AMENDMENTS TO NATIONAL INSTRUMENT 81-102 MUTUAL FUNDS AND TO NATIONAL INSTRUMENT 81-106 INVESTMENT FUND CONTINUOUS DISCLOSURE AND TO NATIONAL INSTRUMENT 81-101 MUTUAL FUND PROSPECTUS DISCLOSURE AND TO NATIONAL INSTRUMENT 41-101 GENERAL PROSPECTUS REQUIREMENTS AND CONSEQUENTIAL AMENDMENTS

On September 22, 2014, amendments to the following rules and changes to the following policies will come into force under the *Securities Act*:

- National Instrument 81-102 *Mutual Funds* (NI 81-102) and Companion Policy 81-102CP to National Instrument 81-102 *Mutual Funds*;
- National Instrument 81-106 *Investment Fund Continuous Disclosure* (NI 81-106) and Companion Policy 81-106CP to National Instrument 81-106 *Investment Fund Continuous Disclosure*;
- National Instrument 81-101 *Mutual Fund Prospectus Disclosure* (NI 81-101); and
- National Instrument 41-101 *General Prospectus Requirements* (NI 41-101).

NI 81-102 prescribes investment restrictions and certain operational requirements for mutual funds, NI 81-106 sets out the continuous disclosure obligations of investment funds, NI 81-101 contains simplified prospectus disclosure requirements for mutual funds, and NI 41-101 contains long form prospectus disclosure requirements for investment funds.

The amendments and changes are part of a project undertaken by the Canadian Securities Administrators to modernize the product regulation of publicly offered investment funds. The amendments introduce fundamental investment restrictions and operating requirements for non-redeemable investment funds that are analogous to those that currently apply to mutual funds. The amendments also introduce enhanced disclosure requirements with respect to securities lending activities by investment funds. A number of consequential amendments to reflect the change in the title of NI 81-102 and drafting changes to clarify and update current requirements are also included in the amendments.

The full text of the amendments is available in the Ontario Securities Commission's Bulletin at (2014), 37 OSCB 8445 and on the Commission's website at <http://www.osc.gov.on.ca>.

REPEAL AND REPLACEMENT OF NATIONAL INSTRUMENT 52-108 AUDITOR OVERSIGHT

AND

AMENDMENTS TO NATIONAL INSTRUMENT 41-101 GENERAL PROSPECTUS REQUIREMENTS, NATIONAL INSTRUMENT 51-102 CONTINUOUS DISCLOSURE OBLIGATIONS AND NATIONAL INSTRUMENT 71-102 CONTINUOUS DISCLOSURE AND OTHER EXEMPTIONS RELATING TO FOREIGN ISSUERS

On September 30, 2014, National Instrument 52-108 *Auditor Oversight* was adopted and amendments to the following rules came into force under the *Securities Act*:

- National Instrument 41-101 *General Prospectus Requirements*
- National Instrument 51-102 *Continuous Disclosure Obligations*
- National Instrument 71-102 *Continuous Disclosure and Other Exemptions Relating to Foreign Issuers*

National Instrument 52-108 requires a reporting issuer to have an auditor's report signed by a public accounting firm that has entered into a participation agreement with the Canadian Public Accountability Board (CPAB) and be in compliance with any restrictions or sanctions imposed by CPAB. In addition, it requires a public accounting firm to deliver notice

to the securities regulator, and in some cases, the audit committee and board of directors of each reporting issuer client, of certain restrictions or sanctions imposed by CPAB.

The amendments result in the following changes from existing requirements:

- require disclosure in a prospectus, if the financial statements of the issuer included in the prospectus were audited by an auditor that, as at the date of the most recent auditor's report on financial statements included in the prospectus, was not required to be subject to, and was not subject to the oversight program of CPAB;
- reduce the filing period from 30 days to 14 days for a change of auditor notice required by National Instrument 51-102 following the termination, resignation or appointment of an auditor by a reporting issuer;
- require a predecessor auditor or a successor auditor to notify the regulator on a timely basis if a reporting issuer does not file a change of auditor notice required by National Instrument 51-102; and
- add a condition to the current exemptions in National Instrument 71-102 relating to audited financial statements of SEC foreign issuers and designated foreign issuers to require compliance with National Instrument 52-108.

National Instrument 52-108 and the full text of the amendments is available in the Ontario Securities Commission's Bulletin at (2014), 37 OSCB 6753 and on the Commission's website at <http://www.osc.gov.on.ca>.
